*and don't forget the...*

## Screen Printing, Die-Cutting & Laminating

Family favorites we're famous for!

# *À La Carte*

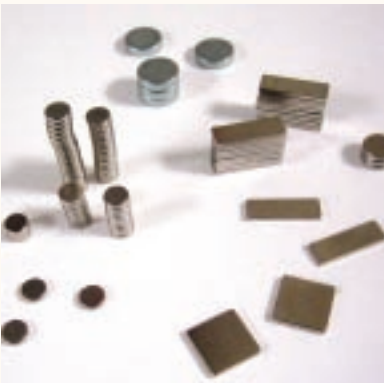

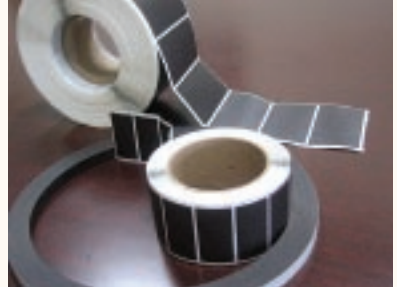

## **Rotary Die-Cutting & Converting**

A smorgasbord of specialized parts, both with and without print. From simple die cut labels to complex multilayered constructions that require multiple tool registrations. We use our state of the art equipment and our knowledgeable staff to serve you up items such as magnets, foam products, adhesive parts, RFID tags, security label, variable information labels, and much more. U.S. Magnetix is your one stop shop for everything from R & D projects to large volume production runs.

## **Adhesive Strip Magnet**

On rolls, in sheets or individual pieces, we are able to provide cost-effective solutions for you at the wholesale level.

## **Neodymium Magnets**

The most powerful magnets in the world. Whether you need a simple pocket folder closure or need to hang a construction worker by his hard hat, U.S. Magnetix has a wide assortment of different sizes and strengths to satisfy even the largest appetite!

*and don't forget the...*

## **Flexible Magnet & Magnet-Receptive material**

Rolls, sheets, pre-cut sizes, plain, adhesive, matte white vinyl...  
(Add bacon for 50¢)
